Andrew: happy birthday
Andrew: http://morroblivion.com/?Repost
me: I got yet another gaming computer
me: Gregg Housh bought it for me
me: cause I'm working on his book
me: I'm back in business
Andrew: that answers my question
Andrew: morrowind
Andrew: oblivion
Andrew: morroblivion
Andrew: is it possible that this is as cool as it sounds?
Andrew: alos, what computer
me: an HP with 4 gigs
Andrew: what processor/graphics card?
Andrew: or just the model # will suffice
me: lemme see
me: gimme a sec, I'll tell you
me: long story short is that Housh picked it out so it's ace
me: I'm cheating on you
Andrew: you'll need to if you want me to confirm its awesomeness
me: I faked all those Ubuntu orgasms
Andrew: everyone does
me: I didn't meant that, I just wanted to hurt you
